

THE OHIO STATE  
UNIVERSITY

DEPARTMENT OF  
**CHEMISTRY AND BIOCHEMISTRY**

# The Joint Safety Team (JST)

department of chemistry and biochemistry

## Mission

*promote awareness and foster a safe laboratory culture for the Department of Chemistry and Biochemistry*

## Contact Info

Group Email: [cbc-jst@lists.osu.edu](mailto:cbc-jst@lists.osu.edu)

President – Mike Scudder [scudder.13@osu.edu](mailto:scudder.13@osu.edu)

VP – Eric Wolfson [wolfson.42@osu.edu](mailto:wolfson.42@osu.edu)

## Demographic

A group of 12-15 highly driven graduate, undergraduate student researchers, faculty and staff who promote laboratory safety

## Current Industry Interactions

- JST/Dow Chemical – Lab Safety Academy

## What we are looking for:

- Industry perspective on safety concerns at the university
- On-site visits to local industries with Lab Safety Officers

## Website
