

Graduate Studies Office

INTERNATIONAL TRAVEL AGREEMENT

- Students traveling internationally must complete this form and return it to the Graduate Studies Office in 1110 Newman & Wolfrom Lab with all required signatures prior to the first date of travel.
- Any student assigned as a GTA must find another student who is capable of teaching the assigned subject, willing to serve as your substitute TA, and who is not traveling internationally in the event that travel complications impact your timely return to campus.
- Any student who intends to begin travel before the completion of final exams, must also find a student to fulfill any assigned duties, such as exam proctoring, in their absence. A form for each semester must be completed.
- All travel dates and substitute students must be approved by your course supervisor as well as your faculty advisor and the Vice Chair for Graduate Studies.
- In the event that you are unable to return by the Saturday prior to the first day of classes, you must send email notification of your delay and information on your known or estimated date of return to:
 - Your course supervisor (and Dr. Amy Moore if assigned to Gen Chem)
 - Your faculty advisor
 - Jennifer Hambach (hambach.2@osu.edu) in the Graduate Studies Office

By signing the agreement below, I acknowledge that I have read and fully understand the above statements as well as my commitment to my advisor, supervisor, and the Department of Chemistry & Biochemistry in returning on time to continue my research or teaching responsibilities. **Failure to return by the first day of classes may result in a decrease in stipend dependent upon the circumstances.** Failure to return by the 3rd Friday of the semester will result in termination of your GTA or GRA appointment.
